

Christian Education

Cornerstone Classical Christian Academy is unwaveringly Christian. All subjects at Cornerstone Classical Christian Academy are taught as part of an integrated whole, with the Scriptures at the center (2 Timothy 3:16-17), serving as the hub of all knowledge. As a result, students learn to interrelate and examine knowledge, allowing them to view their studies as a unified effort. The focus of this effort is to see God's sovereignty over all and to glorify Him.

In addition, in all its levels, programs, and teaching, Cornerstone Classical Christian Academy seeks to provide a clear model of the biblical Christian life through our staff and Board (Matthew 22:37-40). Further, every student is encouraged to begin and develop a relationship with God the Father through Jesus Christ (Matthew 28:18-20, Matthew 19:13-15).

Finally, whether in the classroom or on the stage, in the hallway or on the playing field, students at Cornerstone Classical Christian Academy are expected to behave like sons and daughters of the Most High God. By God's grace, students come to understand that Christ is preeminent in all things and at all times, including in their hearts and minds.
