

(# 11 – FORWARD, MARCH! *The CATS march offstage then re-enter, followed by LAFAYETTE, NAPOLEON, VICHY, and SSOISE, whom they do not notice.)*

LAFAYETTE

Say, Napoleon, if we're looking for that butler fella, how come we're marching behind a bunch of cats?

• **NAPOLEON**

Well, how should I know that? You're the one who's up in front.

LAFAYETTE

Well, I say we should attack them.

VICHY

Yes, attack them.

SSOISE

I like attackin'.

• **NAPOLEON**

Wait a minute! I'm the leader! I'm the one who says when we attack.

(pause)

Let's attack.
