

Student Parking Permit Agreement

Student parking at CCA is a privilege. Student drivers must have a school-issued parking permit to park a vehicle at Cornerstone Classical Academy (CCA). Parking permits can be purchased for \$50.00 at Orientation. Student parking permits are non-refundable. If a permit is lost or damaged, a replacement can be purchased for \$25.00 from the Upper School Office. All students must complete the Student Parking Permit Agreement and Registration Form to obtain a parking permit. Due to the limited number of parking spaces available at CCA, spaces will be awarded by a lottery system based on criteria. Students must maintain a cumulative GPA of 3.0 or higher per semester. Revocation of parking privileges can occur if CCA issued referrals exceed three class ones or two class twos and from parking violations listed below.

Rules and Regulations

The following Rules and Regulations apply to all students who operate and park a vehicle at CCA and will be strictly enforced. Parking lot violation consequences may result in parking permit revocation, for any student who does not abide by all school rules regarding conduct and operation/parking of a vehicle on campus. These rules include, but are not limited to:

1. The vehicle must be registered to the CCA student or their parent/guardian, must have a current vehicle registration from The State of Florida, and current vehicle registration as well as vehicle insurance. It is the student's responsibility to supply the school with a driver's license and vehicle registration renewal information. Failure to do so could result in suspension of parking privileges.
2. Vehicles must be locked and all contents stored out of visibility.
3. The current permit must be visibly displayed on the vehicle.
4. There is a 5 miles per hour maximum speed limit in the parking lot. Driving in excess of this limit, "burn outs", jumping curbs, or driving on landscaped areas will be considered reckless driving and result in immediate permit revocation.
5. Students must follow traffic patterns in the parking lot. Blocking entry/exits and failure to yield to pedestrians at crossings will result in a parking violation consequence.
6. Students are not permitted to visit their vehicles or leave campus during school hours without prior administrative approval or school "check out".
7. Student drivers who chronically arrive late to school will receive a parking violation consequence.
8. Vehicles must not display any visible decals or graphics depicting alcohol or tobacco products or their use, or vulgar obscene language or images.
9. CCA is not responsible for damage or loss of any vehicle or its contents. Student drivers must report theft or damage to administration.
10. CCA reserves the right to search ANY vehicle at ANY time.
11. Vehicles parked illegally or without a permit may be towed at the owner's expense.
12. Any student with three parking violations will not be eligible to purchase tickets for Homecoming, Prom, or receive Graduation tickets.

Parking Violations Consequences

1 st Parking Violation:	Parent/Guardian contacted
2 nd Parking Violation:	Parent/Guardian contacted, driving suspended 1-day.
3 rd Parking Violation Three class ones or two class two referrals	Parent/Guardian contacted; student parking permit revoked.
